Hi Anna

We received the load of container number OOCU7022928.

Please see attached photos of the boxes,

- 1) it does not say exam on the box, this is unacceptable
- 2) the factory in back of the box is different than the 510k

These 2 issues are major, I don't know how to solve this, my customer is throwing me back the merchandise, I don't have where to sell it now.

If I would have known this I wouldn't sell it to a government account I would give it to someone that doesn't look.
